

Parents' Volunteer Sheet

Our parents help make events at Cabrini meaningful and smooth running. Without parental participation, events such as the Mother/Daughter Luncheon, the Gala and the Bayou Bash, literally would not exist. Without parental participation, Student Dances would not run as smoothly, Grandparents' Day would not be so special, and Inspection Day would start the year off not as well. We encourage you to volunteer for at least one activity during the year, but please feel free to volunteer for as many as you'd like. Thank you.
